Prayer Requests

Lorelie Batty...granddaughter of Harry & Michele Herber continues to suffer from an extreme, life threatening case of Pancreatitis. She is only three years old and has been in the hospital more days than anyone cares to count. Lorelei recently had surgery and is scheduled for another one when her health permits. Lorelie's illness has been more than traumatic for the Batty and Herber families. Please keep all of them in your prayers for a miracle of healing for Lorelei. Cards can be sent to Herber/Batty Family, PO Box 880, Pismo Beach, CA 93448

Kristen (Herber) Pulido...and her husband, Armando are expecting momo, or monoamniotic twins in October. Kristin will be in the hospital on bed rest for 8-10 weeks beginning this coming Thursday until delivery and, more than likely, the babies will be born prematurely. This is a difficult situation for first time parents (combined with the situation above with Lorelei) and they are asking for prayers from their church family that they make it through this pregnancy safely and are blessed with two healthy baby boys! Their address is: PO Box 1253, Silverdale, WA 98383 or email is misskris15@prodigy.net.

Ken, Ruth, Ramona, Katya & Cuinn Goodman and their cat...prayers for housing needs, healing after losing their home and a return to normalcy for all of them. (See below for address for cards and notes.)

Announcements

Ken and Ruth Goodman...are trying to put their life back together after the fire several weeks ago that destroyed their home of 50+ years.
