

Prayer Requests

Hayden Davis...grandson of Teatsy Farris and son of Byron and Julie Davis, went with his professor to Malaysia recently and after his return two weeks ago, he has developed a high fever and the doctors are not able to determine the cause. His blood work was sent to the lab, but as of Thursday, the results were not back yet. Hayden's body is shutting down and his family asks for your prayers that the Holy Spirit will give the doctors the wisdom to figure out this mystery and Hayden will be restored to health.

Jo Turner...has an anonymous prayer request.
