**Hayden Davis...**grandson of Teatsy Farris and son of Byron and Julie Davis, went to Malaysia recently and upon his return, he developed a high fever. Within days, his organs began to shut down and he was on literally death's door. His family shared Hayden's ordeal with friends and asked for prayers. This prayer request was shared on Facebook and Instagram with an overwhelming response. Today Hayden and his family are thanking God for his miraculous healing. Never doubt the power of prayer.
